# **eSafety Forum**

## **The eSafety Initiative 2004**

**The 3rd eSafety Plenary Session,  
Brussels, 25 March 2004**

# The eSafety Initiative 2002-2003

2003

The eSafety Initiative 2004 - 2

# Moving forward with eSafety

## Madrid Conclusions:

- Moving towards **Global eSafety**
- The eSafety decade: **2010 onwards**
- The fourth cornerstone: **user / the driver**
- Simplified **eSafety Road Maps**
  - Voluntary commitment
  - Public Awareness
- **eCall: The first target of eSafety**

# The eSafety Initiative 2004

2004

# The eSafety Initiative 2004

---

- **3rd eSafety Forum Plenary 25 March**
- **Two High-Level eSafety Meetings on 27 September:**
  - High-Level meeting with the Public Sector
  - Industrial meeting with the Commissioner, ACEA, ERTICO and industry CEOs
- **Working Groups meet typically once per one or two months**
- **International Co-operation Working Group has 2-3 meetings per year**
- **Steering Group meets 5-6 times in 2004**

# The HL Meeting with the Public Sector

---

## The meeting:

- High-Level representatives from the Member States and other public sector stakeholders

## The target:

- To integrate the public sector more closely with the eSafety initiative at MS, regional and local level

## Topics for the meeting:

- Implementation of eCall and the eCall MoI

# The HL Meeting with Industry

---

## The meeting:

- High-Level (Commissioner, ACEA, ERTICO, CEOs) industry meeting

## The target:

- To review the achievement of the eSafety Forum, to endorse its results and to reconfirm commitment to deployment

## Why a High-Level Meeting:

- A possible commitment needs to be done at the highest level
- Assures maximum publicity

# The existing Working Groups

---

- Accident Causation Analysis WG
- The eCall Driving Group
- HMI WG
- Road Maps WG
- RTTI WG
- RTD WG
- International Co-operation WG

# The new Working Groups

---

- **Heavy Duty Vehicles Working Group**
  - Kicked-off on 16 March 2004
  - Chair: Dr. Jürgen Trost, DaimlerChrysler
- **User Outreach**
  - A preparatory meeting 28 January 2004 (ACEA, EC, ERTICO, eScope)
  - Chair: to be nominated
