¹ The name of the individual member is not disclosed where the data subject has objected to its disclosure or where Article 4 of Regulation (EC) No 1049/2001 of the European Parliament and of the Council of 30 May 2001 regarding public access to European Parliament, Council and Commission documents applies or where the representatives are likely to vary. The indicators of non-disclosure are:

1) Data inaccessible (Regulation (EC) No 45/2001)

2) Data inaccessible (Regulation (EC) No 1049/2001, Article 4)

3) Data unavailable

² The status of a participant to a consultative entity is 1) Member; 2) Alternate member; 3) Observer; 4) Interested party; 5) Invited expert.

The member of the consultative entity is appointed:

1) as representative of a public authority (national, regional or local), of civil society or as interested party. The member is appointed by the Commission or its departments. Where the composition of the group is likely to vary, in particular, the authorities or organisations concerned may nominate the expert to represent them. Indicator: full title and, where feasible, URL address.

2) in a personal capacity. The member is appointed by the Commission or its departments and shall act completely independently. Each year they shall make a written declaration of commitment to act in the public interest, together with a declaration as to whether there is any interest which would prejudice their independence. Indicator: first name + surname

³ Travel, and where appropriate, subsistence expenses incurred by member, experts and observers as part of the activities of the group shall normally be reimbursed by the Commission. Where reimbursement takes place, it shall be in accordance with the provisions in force within the Commission and within the limits of the available appropriations allocated to the Commission department concerned under the annual procedure for the allocation of resources. The tasks carried out shall not be subjected to remuneration. Payment of a special allowance to members, experts and observers shall only be possible in duly justified and exceptional cases and provided that it has been expressly authorised by a decision of the Commission. The indicators are 'Yes' or 'No'.
