

EU-INDIA

eSafety Cooperation

Brussels Conference 1-2 June 2006

EU-India aims to boost cooperation in ITS to improve road safety and efficiency of transport in India. The EU-India events are an opportunity for ITS stakeholders from public authorities, research institutes and industry from India and EU to meet and discuss Indian ITS requirements and identify future cooperation projects.

Planned Agenda

1 June: Jolly Hotel, Brussels

AM Priorities for eSafety Cooperation between EU-India
PM Break out sessions

2 June: ERTICO, Brussels

AM Technical session

To register for the event please contact:
