

Invitation to join the constitutional session of the eSafety Working Group Communications

The first meeting of the WG-C will take place on October 26th, 2005 10.30 am to 3.30 pm at the Maritim Hotel, Hannover Airport, Germany.

Please forward this message to the relevant people at your organisation and to others you consider to be interested to work on the topics:

standardisation and spectrum issues, vehicle-to-X communication, international issues

The Hotel is located next to the Airport Terminal B/C in just 2 min walking distance, there are direct flights from London, Paris, Brussels, Copenhagen and several other German and European Airports.

Every participant is asked to confirm ASAP, a confirmation with the details (agenda, meeting room etc.) will be send 1 week before the meeting to everybody who applied.

In the constitutional meeting we will primarily focus on the work programme of the WG-C and the foundation task forces working on a) standardisation and b) spectrum issues who will report into the WG.

The WG will focus on recommendations to the commission and European bodies via the eSafety SB and initiative, integrating the work of the task forces and finding a common understanding how to position the eSafety related communication issues within the EU and in international cooperation.

For your information the first version of the "terms of reference" as approved by the eSafety SB are included.

Kind regards

Uwe Daniel

Chairman eSafety Working Group Communication
